

## BRIEF NEWS OF THE WEEK

The seven year old son of H. O. Higgins, a prominent farmer of Fillmore suffered a fractured left wrist while playing on the school slide at Fillmore Wednesday noon. Dr. W. R. Hutcheson of Greencastle was called and reduced the fracture.

County superintendent John Vermillion visited the Jefferson township schools Friday.

Mr. and Mrs. C. S. Scull and Mr.

Harold Jacobs, 12-year old son of John Jacobs, north Jackson street, accidentally shot himself through the left hand Thursday while handling a 32-calibre revolver. Unless complications arise the injury is not considered serious. Dr. McGaughey dressed the wound.

The index finger on the left hand of Albert Howlett, an employee of the Indiana Portland Cement Co. was almost severed, Thursday when a spring on a piece of machinery on which he was working, broke. He was taken to the office of Dr. A. E. Ayler where his injury was dressed.

Mrs. Beryl Hutcheson, of Reelsville who was operated for the relief of appendicitis, Friday evening at the Putnam County Hospital is doing nicely. Dr. W. R. Hutcheson and Dr. Noble of Indianapolis performed the operation.

DePauw University students chartered everything from Ford Bugs to stock trucks to go to Bloomington Saturday to witness the football game. Some of the boys even started to hike to Bloomington, depending up on "lifts" from autoists, however, to get them there.

Among the Greencastle people who drove to Bloomington, Saturday to witness the Indiana-DePauw game are Mr. and Mrs. C. W. Otis, Dr. and Mrs. William M. McGaughey, Mr. and Mrs. C. C. Gillen, Dr. and Mrs. Henry Davis, Prof. and Mrs. William Blanchard, Prof. and Mrs. W. W. Sweet, Roy Abrams, Charles McGaughey, Ed. Hamilton, George R. Harnsey, Neely O'Hair, Wallace Holcomb, Frank Wallace, Dr. A. W. Broadstreet, Judge James P. Hughes and Albert Raines.

Mr. and Mrs. Charles S. Scull of Princeton, Ind., and Mr. and Mrs. J. F. Meade of Francisco, Ind. who have been visiting Mr. and Mrs. J. E. McCurry, returned to their homes Monday.

James H. Gardner of Russellville was in Greencastle, Sunday.

Fred Hayes of Lafayette, Ind. visited his father, Frank Hays over Sunday.

Kenneth Ashworth, fourteen year old son of Mr. and Mrs. William Ashworth who reside on Elizabeth Street is ill of typhoid fever.

Mr. and Mrs. Charles D. Conklin accompanied by Mr. and Mrs. Elisha McDonald spent Sunday in Indianapolis.

Mr. and Mrs. Robert Bryan of Indianapolis were the week end guests of Mrs. Bryan's mother, Mrs. R. A. Lawton and Mr. and Mrs. Edgar Shamel who reside on north Madison street.

Mr. and Mrs. W. O. Timmons spent Sunday in Indianapolis visiting Mr. Timmons sister and brother-in-law, Mr. and Mrs. Earl Sutherland.

Prof. and Mrs. Ernest Rice Smith, 628 East Walnut Street were called to Ithaca, New York Monday, by the sudden death of Mrs. Smith's brother.

Henry Beaman, farmer of near Coatesville, suffered a compound fracture of his left thumb Sunday when his thumb caught in a rope with which he was attempting to lead a cow. Mr. Beaman was brought to the office of Dr. C. C. Tucker where his injuries were dressed.

Miss Aileen Trimble, of New York, who has been for the past several weeks, the guest of Mr. and Mrs. Charles J. Arnold, left Monday for her home. Miss Trimble is a niece of Mr. and Mrs. Arnold.

Mr. and Mrs. R. P. Mullins, accompanied by Mrs. George Gardner, spent Sunday with Judge Edward Snider and sister in New Market.

Rhea Bauer, of Indianapolis, a former DePauw student who has just returned from Europe, spent the week-end visiting friends in Greencastle.

Ruth Kauble age 20, daughter of Mr. and Mrs. Jacob Kauble of Fern was operated on Sunday evening, at 7:00 o'clock at the Putnam County Hospital, for the relief of appendicitis. Dr. T. B. Noble, of Indianapolis assisted by Drs. McGaughey and Hutcheson performed the operation. Miss Kauble who is a bookkeeper for the Christie and Potter Shoe Store.

Milton Bachelder and his mother Mrs. Emma Bachelder of Dayton, Ohio, drove to Greencastle Sunday and will visit friends and relatives for several days. They formerly resided in Greencastle. Mr. Bachelder now is in the automobile service business in Dayton.

Mr. and Mrs. A. J. Knoll and son Joe and Miss Mildred Shamel of Camden, Indiana who were the week end guests of Mr. and Mrs. A. J. Knoll have returned home.

Mrs. Evelyn Riley Nicholson, wife of Bishop Nicholson, of Chicago, who has been visiting her parents Rev. and Mrs. A. T. Riley 2 E. Hanna Street returned to her home Tuesday.

Ralph Knoll, county auditor who recently was operated upon for an abdominal trouble in the St. Vincent's Hospital in Indianapolis, returned to Indianapolis Tuesday for a second operation.

William Baney, Superintendent of Midwest Crushed Stone Quarries, who has been ill of heart trouble for some time is some what improved Mr. Baney was up in a chair Tuesday for the first time in six weeks.

While returning from Illinois in her Buick Coupe, Sunday afternoon, Miss Mildred Dimmick instructor of French in DePauw was in a collision between Greencastle and Crawfordsville, in which the side of her car was badly damaged. The collision occurred shortly after 7 o'clock. Miss Dimmick was able to drive the car on to Greencastle.

Mr. and Mrs. S. C. Prevo, of Terre Haute accompanied by their sons Gordon Prevo and Edgar Prevo, of Greencastle motored to Chicago Tuesday for a short visit with Mr. and Mrs. Prevo's daughter, Mrs. H. D. Irwin.

Harold Knoll who is employed in Gary, Indiana spent the week end with his parents, Mr. and Mrs. A. J. Knoll who reside on north Madison Street.

Mrs. Richard Houck, 695 South Bloomington Street fell and broke her hip Tuesday morning. Her condition is reported serious. Dr. C. T. Zaring was called and reduced the fracture.

Prof. and Mrs. F. T. Carelton, and Prof. and Mrs. H. B. Longdon motored to Brown County and visited with relatives and friends over the week end. On their return home they visited Mrs. Longdon's brother, Grafton Johnson and Mrs. Johnson at Greenwood. Mr. Johnson has several pet bears and while playing with one Prof. Longdon received a deep scratch on one of his hands. The bear became slightly angered at the presence of strangers and showed his dislike by scratching Prof. Longdon.

### GREENCASCADE WOMEN NAMED

Martinsville, Ind., October 6.—The annual meeting of the district Woman's Foreign Missionary Society of the M. E. church closed Friday evening after a two-day convention, in the M. E. church here. Bedford was selected as the meeting place next year.

The following officers were elected: President, Mrs. Bessie Strain, Gosport; group leaders, Mrs. Anna Dean, Gosport; Mrs. Jennie Badger, Greencastle; Mrs. Polhemus, Brooklyn; Mrs. Morgan, Mitchell; recording secretary, Mrs. George H. Murphy, Bloomington, corresponding secretary Mrs. E. D. Farmer, Bloomington, treasurer, Mrs. Lola Johnson, Bloomington; superintendent Standard Bearers, Mrs. E. L. Hutchens, Mooresville; superintendent children's work, Mrs. Theodore Crawley, Greencastle; extension secretary, Mrs. Gladys Badger, Bloomington; titling secretary, Mrs. Cora Smith, Greencastle.

Three foreign missionaries—Miss Myrtle Wilson, of Africa; Miss Belle Overman, of Korea, and Mrs. R. D. Wellons, of India—spoke on the work in their fields.

### LITTLE BRAZIL GIRL DIES FROM AUTOMOBILE HURT

BRAZIL, Ind., Oct. 8.—Josephine Brown, 10-year-old daughter of Sanford Brown of west of the city, who was injured yesterday when struck by an automobile driven by Arthur Henderson of Staunton on the National road in front of her

home, died at the Community hospital this morning of fracture of the skull.

This was the second accident of the kind within a few hundred feet on the National road west of the city within twenty-four hours. Jacob Albertson, 75 years old, residing in the same vicinity having been hit by Sidney Schraff of Clinton and is lying in a critical condition at the Community Hospital.

Chief of Police Frank Moore is investigating the Brown accident. Young Henderson claims that the child stepped out from behind a load of hay and started across the National road just in front of his machine and that it was impossible for him to avoid hitting her.

### MONTGOMERY EX-OFFICIAL GETS SUSPENDED SENTENCE

CRAWFORDSVILLE, Ind., Oct. 8.—Harry T. Stout of this city, ex-treasurer of Montgomery county was fined \$500 and sentenced to the state prison for one to twenty years by Judge Jere West in Circuit Court here today.

The charge, to which he plead guilty, was failure to deposit public funds according to law. Stout faced two other charges, embezzlement and misappropriation but these were dropped. The sum involved was about \$10,000, which has been made good by Stout and his friends.

Upon the testimony of character witnesses, prominent local citizens, the prison sentence was suspended.

### FARMER CRUSHED UNDER HEAVY BED OF WAGON

ANDERSON, Ind., Oct. 8.—Alfred Spall, 56 years old, former Madison county farmer, was instantly killed early today at the farm of John Miller, a neighbor, when a wagon bed fell on his head. Spall had hoisted the wagon bed with chains, to use the trucks for hauling logs. The chain broke and the wagon fell on the farmer's head crushing the skull. The body was taken to Middletown, southeast of here.

### BRAZIL ELKS COMING FOR SUNDAY GAME

The biggest game of the season for the Greencastle Specials will close the local baseball season next Sunday when the Brazil Elks team, which already has defeated Greencastle in two games this season, will come to Greencastle to meet the home boys on their home lot.

A recent game between the two teams, played in Brazil a week ago, Sunday, almost ended in a riot, when Brazil, with the score 5 to 2 against it, won the game in the last half of the ninth inning.

Much discussion arose over the result of this game. Some of the Greencastle fans contended the decisions of the umpire favored the Brazil team, and one local fan got so incensed that he attempted to strike the umpire.

The teams will play the same lineup as played in the Brazil game, except Clay will catch for Greencastle instead of Huskey and Brazil will have a different man on second base.

### STATE POULTRY MEETING AT PURDUE, OCT. 17-18

LAFAYETTE, Ind., Oct. 5.—Poultrymen of Indiana should mark down October 17 and 18., Wednesday and Thursday, as the time of the big annual poultry round-up at Purdue University, Lafayette, Indiana, according to the announcements recently issued by the Indiana State Poultry Association. This meeting, while an association affair, is an educational meeting to which all Hoosier poultry raisers are invited.

The program will open at 10:00 a. m., October 17 with a laboratory on judging hens for egg production. This work will be given by Prof. A. G. Phillips, using trap nested hens from the Purdue poultry farm. It will be more than culling demonstration, as egg production of pullets and breeding qualities of males will be considered.

In the afternoon L. P. Doyle of the Purdue Veterinary Department will demonstrate the methods of making the tests for Bacillary White Diarrhoea of chicks. This test was used on many flocks over the state last year and results will be reported by those who have actually tried it out.

The feature of the first night meeting will be the Baby Chick Supper Conference, with Harry R. Lewis, president of the International Baby Chick Association, and W. J. Buss, former chief of poultry at the Ohio Experiment Station as speakers of the evening. It is expected that practically every large hatchery in Indiana will have a representative at this conference.

The program for the second day covers many lines of work. Professor Phillips of Purdue and Frank Platt of Chicago will continue the production judging laboratory. C.

W. Carrick of Purdue will tell of the experimental work in feeding vitamins to chicks—new work in a new field. A. B. Dann, poultry housing expert, will discuss poultry house ventilation.

Dr. M. A. Jull of Washington, D. C., in charge of the poultry division of the U. S. Department of Agriculture and T. F. Rigg, president of the American Poultry Association, will appear on the Thursday program. The conference will close with the big annual banquet which in the past has been a big feature of the convention.

The educational part of the program is in charge of the Poultry Department of Purdue University and all sessions with the exception of the two night meetings will be held on the Purdue campus. Further details of this meeting can be secured from the association secretary, LeRoy L. Jones, care Purdue University, Lafayette, Indiana.

### INDIAN ASECOND IN PRODUCTION OF MOTOR CARS

Although Indiana is thirty seventh state in size, it ranks says the Hand Book of Indiana Geology just issued by the state conservation, second in the production of automobiles and cement; third in production of forgings; fourth in coke; fifth in coal; brick and tile and in railroad cars and repairs; sixth in corn acreage and in value of canned products; seventh in value of animals sold or slaughtered and in oats production; eighth in the gross value of farm products of flour and grist

mills; ninth in the value added by manufacture and in the products of the meat packing industry.

If allowance is made for Indiana's comparatively small size, she ranks notably higher in several of these categories and is second in automobiles, cement and flour and grist mill products, third in steel forgings etc., and corn and wheat production and in animals sold and slaughtered; fourth in the gross value of farm products of crops and livestock, of oats, of coke and in the canning industry; fifth in meat packing and coal mining; eighth and thirteenth in foreign products.

### HARVE GORHAM OBJECTS TO DISPLAY OF ARMS BY OFFICERS MAKING SEARCH

Harve Gorham, south Greencastle, has handed the Herald a communication in which he objects to the methods pursued by local officers, Thursday, October 4, in a search of his premises.

Gorham in his letter says that the officers searched without a search warrant that although he is physically unable to offer resistance, he was threatened with a "billy club" and was "covered" by a revolver during the time of the search.

Mrs. Basil Gilmore, of Anderson will spend this week visiting her sister and brother-in-law Mr. and Mrs. William McDonald. Mr. McDonald is proprietor of the Greencastle Battery Company.

Dr. F. O. Overstreet

## DENTIST

Office in the Bence  
Building on South  
Vine Street,  
Greencastle, Indiana

## Quick Relief

All the suffering in the world won't cure disease. Pain makes most diseases worse and sometimes brings on still further disorders.

Stop the pain and give nature a chance to work a cure.

## DR. MILES' Anti-Pain Pills

One or two will bring relief.

Your druggist sells them at pre-war prices—25 doses 25 cents. Economy package, 125 doses \$1.00.

Mr. and Mrs. Henry Qualkenbush of Brazil were Sunday guests of Mrs. R. A. Lawton.

# Your Opportunity

This is your opportunity to place a New 1923 Model Great Majestic Range in your kitchen at a real bargain. By all means don't fail to see the New MODEL MAJESTIC—it's the last word in modern range construction. Many, many improvements have been added to this already famous range and its graceful stream line beauty will please you immensely. Make it your business to drop in our store at least one day during our

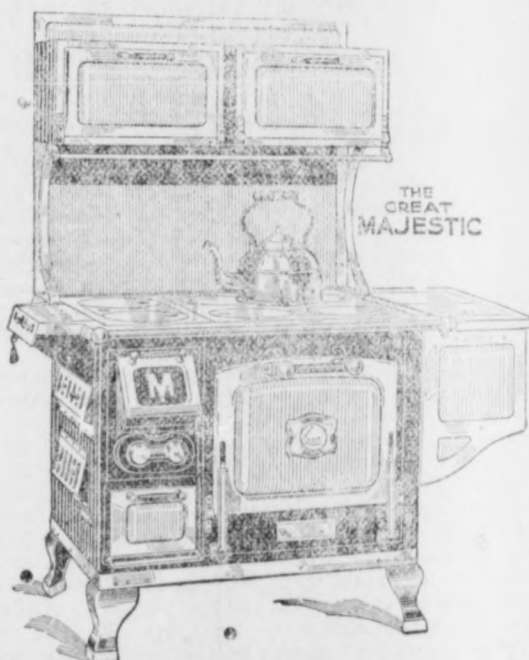

Special Exhibit and Sale of

## Great Majestic Ranges

ONE WEEK ONLY

Monday, Oct. 15th to Oct. 20th

Ask your friends and neighbors to come with you—we are so delighted with the New Model MAJESTIC that we want everyone to see it. Come whether you buy or not. Let the factory representative, who will be with us all week, show you just how the MAJESTIC is made—inside and outside—show you the true reasons why this wonderful range performs, looks and lasts so much better than other ranges.

## FREE---During This Exhibit ONLY

Look at these two fine sets of cooking utensils! Either set may be yours absolutely without cost, just for deciding to buy your Great Majestic Range this week instead of later.

### Polished Solid Copper Set

The set illustrated to left is of pure heavy copper highly polished and of exquisite design. Every woman falls in love with it on sight—don't fail to drop in and see it.

### Special Majestic Ware

This wonderfully serviceable ware illustrated below, is well known by thousands and thousands of Majestic Range users, it is the highly prized, extra heavy, old time Majestic Set, the same as furnished before the war.

Let the factory representative give you the opinion of an experienced expert. He will show you the many features of the new MAJESTIC that have gained for it the proud position of being the most dependable and beautiful range in America.

Reputation in a range is something to be carefully considered before buying, for reputation is made up of tests successfully passed.

Choose the style of new MAJESTIC that meets your individual need and preference, the practical, durable economic and matchless cooking qualities that have always distinguished the MAJESTIC, ranges are the same in every type. In addition to its superior working qualities, the new MAJESTIC, by its handsome design and graceful artistic appearance, gives a touch of beauty to any kitchen. It is not only the best range to work with, it is the best to live with.

## WHAT IS DOING IN PUTNAM COUNTY

### FARMERS TOO HEAVILY TAXED SETTLE DECLARES

In an open letter issued last Wednesday to farmer of Indiana Wm. H. Settle, president of the Indiana Farm Bureau Federation, discussing the state tax situation, asserted that the Indiana farmer is taxed higher per acre for state, county and municipal taxes than the farmers in any other state except New Jersey.

"The Indiana farmer is hard hit," Mr. Settle declares. "Is this a reflection on our lawmakers and taxing systems?" he demands. "We want to know," he continues, "because the Indiana farmer pays 70 per cent more taxes than the farmers in Illinois, Ohio and Wisconsin; 200 per cent more than the average on farms for forty-eight states."

Referring to the quadruple burden of national, state county and municipal taxes, Mr. Settle declares:

"We have been too ready to pledge the lives and fortunes of posterity to the payment of debt which the generation incurring it is unable to discharge."

Many farmers in the state are working in city factories for money to pay their taxes, on account of low prices paid for farm products and high prices he is compelled to pay for the commodities he must buy. Thousands of our American farmers who purchased land during the period of high prices, making a small payment down have been obliged to give up the struggles. Let land go back, lose the money they paid for it and start anew. Many thousands of renters who had substantial savings invested in farm equipment and live stock have gone through the same experience and lost everything. There have been reported to the office of the Indiana Farm Bureau as high as 138 farms in a single county lying idle, and as high as 1,700 acres in a single township.

Between 80 per cent and 90 per cent the percentage varying in different sections of the taxes paid by farmers is for expense within the county, the largest item being for schools and roads. Some taxes, therefore, are with in the control of the majority of the people in the county. Nevertheless, the increase in taxes is proving to be one of the most frequent subjects of complaints by farmers and rightly so.

The Indiana farmer pays \$2.09 per acre for state, county and local taxes; and neighbor farmers in Illinois pay \$1.23, in Ohio \$1.24, in Michigan \$1.58 and in Kentucky 52 cents an acre. The average of the forty-eight states is 71 cents an acre. The Department of Agriculture at Washington compiled these figures on taxes.

"When a city is pledging its credit it seems to forget that a heavy debt already is on the county on which it forms an integral part. The county freely incurs debt without apparently remembering that the state already is incumbered by a direct tax to pay interest on a debt of a state, and the state too often makes lavish use of its credit without pausing to reflect that every one of its citizens already is burdened by the tax he is paying to liquidate the debt of the nation."

When, in the end, the nation, state, county and city have each and all imposed the burdens, the citizens find that while the tax is increased four-fold the property to meet it has not experienced a similar growth. Our power in this country to accumulate burdens may certainly be regarded as peculiar to ourselves. I think we have been too ready to draw on the future, too ready to pledge the lives and fortunes of posterity to the payment of debt which the generation incurring it is unable to discharge."

### BUSINESS MEN FORM CREDIT ASSOCIATION

Greencastle business men under the auspices of the Chamber of Commerce have organized a Greencastle Credit Association the intent of which is to eradicate losses on bad accounts.

The intents of the association are well shown in the membership agreement. It is as follows:

We, the following merchants, to be known as THE GREENCASTLE CREDIT ASSOCIATION, for the purpose of protecting ourselves and customers from the buyer that does not make any honest attempt to meet his obligations, enters into the following agreement:—

1. To furnish the Association an alphabetical list of all accounts owed, with amounts owed by each that a compiled list may be made and used for reference as a guide for all future extension of credit.

2. That a printed list be made and handed to each member.

3. This Association shall meet every 90 days and make any changes necessary.

4. That all members be firm in using his judgement as to extending credit to anyone who, by his willful neglect of his obligations has caused his name to be placed on said list.

5. Any retail merchant or firm extending credit may become a member by contributing \$2.00 and agreeing to the rules of this Association.

6. After all other efforts on the part of the creditor have failed to collect an account or reach some satisfactory arrangement, these accounts may be sold to the highest bidder at public auction by advertising in the daily papers of said city.

7. The management of this Association shall be by the "Retailers Department of the Chamber of Commerce" and such Committee as the Chairman of this department may appoint.

### LOCUST GROVE HOMECOMING A BIG EVENT

The Home coming Picnic which was held at the Locust Grove School last Sunday, Sept. 30, was organized by Mrs. Lucille Hillis Mangun, of California. Mrs. Louise O'Hair Darnell, near Brick Chapel and Mrs. Belle Hanks Heaney of Greencastle. It was a success in every way, first the weather, second, the number present; third, the wonderful dinner of both quality and quantity; fourth in the programme which was given in the afternoon and last but not least, was that real feeling of good fellowship which should always exist between teacher and pupil and among the pupils themselves. The crowd numbered near 250 some coming from quite a distance. Mrs. Lucille Mangun and daughter, Catherine of California being the only representatives out of the state of Indiana. Seven teachers were present: O. B. Lane, of Bainbridge; Macy Watkins of Indianapolis; Orville Collins, of Putnamville; Miss Ella Adams, of Greencastle; Mrs. Mary Priest, of Bainbridge; Mrs. Louise Darnell and Mrs. Gussie Gorton, both near Brick Chapel. After hearty greetings among old friends, teachers and schoolmates, the baskets were emptied on a long table which had been prepared in the grove of Locust trees east of the school buildings. Anyone taking a general view of this table after being spread must surely have thought that each cook meant to bring a little more than the other one. It certainly was a "wonderful dinner." And the quality equalled the quantity.

After the dinner a programme was given consisting of music by Ralph and Jessie Priest of Indianapolis with violin and mandolin, a vocal duet by the Misses Christine Wright and Leona Oliver, violin solo by Fredrick Farmer, with his sister, Miss Helen as his accompanist; Readings by Mrs. Clara Hillis Reeves and Vera Grace Brown of Greencastle and Catherine Mangun, of California. Papers which had been written several years ago to be read at literary which was held in the school building at that time, were given, one, dating back to 1908. They recalled many laughable incidents which occurred in the school and community at that time. O. B. Lane gave a splendid address followed with talks by other teachers which brought back the thoughts of old times. One teacher, Mrs. Gussie Gorton had the idea that she could sing better than talk so she gathered a number of her old pupils together and they sang a "school days" song.

Milt Brown, who was trustee during the time most of these teachers were there, gave a talk. All were listened to with pleasure mixed with sorrow. Pleasure in the thought of being permitted once more to listen to a loved teacher's voice as they had once listened. Sorrow to know those days were gone beyond recall. It was voted to make this an annual affair. Mr. and Mrs. Paul Heaney of Greencastle were chosen to have charge of arrangements for next year. Mr. Cammack was on the ground ready to take a snap shot of the entire crowd then pictures were taken of different classes as Mrs. Mangun specially wanted a picture of her old classmates to take to her sunny California home. Altogether it was a most enjoyable affair, for every one, and we will try to make it better each year and hope more old time teachers, pupils and patrons will attend next year.

### THIRTY TONS OF STEEL VAULT UNLOADED HERE THURSDAY

The twenty ton vault door and the steel lining for the mammoth new vault being installed by the Central National Bank arrived in Greencastle, Wednesday. A special truck secured in Indianapolis, came Thursday afternoon and the mammoth vault door weighing 20 tons and the steel lining were unloaded and trucked to the bank building to be installed.

### FIRST NATIONAL INSTALLS A NEW BURGLAR ALARM

If it is possible to make a bank burglar proof, First National Bank here has been rendered secure from the activities of the most up-to-date cracksmen by the installation of an alarm system considered to be the latest and most effective yet devised. The mechanism was manufactured and installed by the O. B. McClintock Co., of Minneapolis, who not only guarantee it to do its duty at all times but also offer the sum of \$500 for the arrest and conviction of any party attempting to burglarize a bank using their system.

The new alarm is so well constructed and effective in operation that any attempt to enter the bank vault after a certain hour will cause it to ring. An intricate system of wires in the walls, ceiling and floor of the vault, connected with the outside gong, cause the alarm to sound when any part of the vault is tampered with. The doors of the vault are also effectively protected by Thermo-Electric contacts which cause the big alarms to instantly sound if these contacts are heated to a degree slightly above normal. This precludes the use of torches in burning through the door a method used successfully by burglars for many years.

An electric timer, located in the vault, controls the entire system. This is so designed that the vault door may be opened only within certain hours and a slight turn of the dial after closing hours will cause the alarm to sound. The gong itself is constructed in such a manner that attempt to silence it or sever the wires leading to it will at once result in the sounding of the alarm.

Altogether the new system for the prevention of burglaries is remarkably complete and has the appearance of being effective in every respect. It is impossible to conceive of any method that might be employed successfully by cracksmen in circumventing this delicate mechanism and effecting entrance to the vault. Patrons of the bank can therefore rest assured that their savings are thoroughly protected by the installation of the latest and most baffling alarm system that can be obtained.

### REV. O. L. JONES GOES TO WASHINGTON PASTORATE

Rev. O. L. Jones who for several years has been pastor of the Methodist Church, at Patricksburg has withdrawn from that charge and has accepted the pastorate of the Church of the Free Methodist Denomination at Washington, Indiana. Rev. Jones and Mrs. Jones formerly lived in Greencastle.

### MAPLEWOOD

Mr. and Mrs. Elva Gowan and daughters spent Sunday at Drew Coffins in Coatesville.

Mr. and Mrs. Sam Johnston of Brick Chapel spent one day last week with Mrs. W. W. Boardman.

Mr. and Mrs. Hubert Petro and Mrs. Alvin Hanks moved to new purchased property in Fillmore.

Mr. and Mrs. Gilbert Masten and son Cyril spent Sunday at Dora Johnson's. A family reunion was held there by the Gorhams.

Mr. and Mrs. Ray Miller spent Sunday in Lumbbridge.

Mr. and Mrs. Harry Shoemaker and children of Lafayette spent the week end with the former's sister, Mrs. Pansy Farmer.

Mrs. W. W. Boardman was the guests of Mrs. Viola Denny at dinner Sunday.

Mrs. Sacra and children of Terre Haute spent Saturday night with her sister, Mrs. J. G. Masten.

Mrs. Verl Ader spent part of last week with Mrs. Dwight Shoemaker. They are making apple butter.

A home coming of all teachers and pupils ever connected with the Locust Grove school formerly known as both the Priest school and Forest Hill was held Sunday. A bountiful picnic supper was spread under the Locust trees and thereby enjoyed by all present. Pupils of forty years ago were present, also one pupil of 1860.

Mrs. W. W. Boardman and many of later years, Miss Etta Adams, Orville Collins, Mrs. Mary Priest, Mrs. Augusta Gorton, Mrs. Louise Darnell, Bruce Lane, Chris Knauer, Macy Watkins were among the former teachers present. An interesting program of music, readings and talks by the teacher was given. Among those from a distance were Mrs. Leslie Mangun and daughter of Illinois.

Mr. and Mrs. Macy Watkins, of Terre Haute; Mr. and Mrs. Harry Shoemaker of Lafayette; Mr. and Mrs. Orville Collins of Putnamville and a large number from Greencastle and Bainbridge. It was voted to make this an annual occasion, the next to be held the first Sunday in September, 1924.

Mr. and Mrs. Lester Leonard are the parents of a daughter born Monday September 24.

Mrs. Jacob Knauer of Brick Chapel called on her sister Mrs. C.F. Payne Wednesday.

Mrs. John Rominger and Mrs. Rexie Payne called on Mrs. Payne mother Mrs. Mosteller Thursday.

Mrs. Mollie Wells spent Thursday with Mrs. John Skelton.

Miss Chloe Payne spent the week end with her brother Rexie Payne and family.

Mrs. Marion Wright and Mrs. Nannie Cutbirth spent Thursday with their sister Mrs. John Gardner. Sunday visitors at C. F. Paynes were Mr. and Mrs. Robert Dills and son and Mr. and Mrs. David Shoemaker.

Mrs. Ben Wells and Inez Rowings visited their sister Mrs. Anna Hood last Wednesday.

Several from this vicinity attended the sale of Mr. Dauner north of Greencastle.

Mr. and Mrs. Vaughn Dickey, Easton Dickey and family Mr. and Mrs. John Gardner and Marion Wright attended church at Rockville Sunday morning and motored to Clinton Ind. in the afternoon.

Mr. and Mrs. Easton Dickey visited at her sisters, Mrs. Vaughn Dickey, Monday.

The box and pie supper at Number 10, Wednesday night was well attended.

### PAPAWS ARE PLENTIFUL AND SOME PEOPLE EAT 'EM

Papaws have been exceedingly plentiful according to reports of auto owners and hunters who have scoured the woods during the last few weeks searching for that Indiana delicacy known as the Hoosier banana.

Many declare more papaws have been gathered than for many years. Some experts have recipes in which it is alleged that the Hoosier banana makes a fine dish when properly cooked.

Well anyway the popular song, "Yes, We Have No Bananas Today" does not apply to Putnam County. There are plenty for everyone and then some.

### WEIGHT OF BANK VAULT DOOR 22 TONS

A modern bank vault and door are the development of over sixty years. Old fashioned key locks and iron doors were replaced by combination locks, solid steel doors and automatic time locks. When the oxyacetylene torch came into use, the yeggs adopted that method also and applied it with much success in the smaller places. For a while the safemakers were nonplussed. Nitro and the torch had given advantage to the burglar. Then came the latest development, the screwdoor safe and Raffles went down for the count.

The Central Bank's new vault equipment which is being installed at the same time the building is being remodeled was built by the Mosler Safe Company. The steel lining weighs approximately 8½ tons and the massive door and vestibule weighs 22 tons. The lining forms a box of solid steel inside walls of reinforced concrete which are eighteen inches in thickness. The concrete walls, floor and ceiling were poured around a steel cage constructed of one inch steel bars placed vertically and horizontally at intervals of a few inches. This type is the strongest known to vault engineers, and the local bank spent over a year investigating vault construction and the result of various tests conducted by Federal Reserve Bank architects before approving the specifications. The new vault carries the highest insurance classification.

The circular door is a splendid example of machine workmanship and precision. The total thickness as viewed from the edge is 8½ inches which includes the bolt frame. It is made up of 12 one inch plates of steel. A new non-burnable alloy is alternated with open hearth steel which gives tensile strength and chrome or hardened steel. It is said that the door fits so exactly that it will crush a hair at any point. It is hung on massive hinges but is so delicately adjusted that it can be moved by a child. By an ingenious system of cams and gears a tremendous leverage forces it into locking position, making the door and vault one solid mass. It is locked by 24 steel bolts each 3½ inches in diameter. A quadruple movement anti-concussion, 72 hours time lock checks two combination locks, preventing any possible opening of the door before a certain number of hours have elapsed. It is also provided with a special anti-dynamiting device connecting to the bolt work mechanism to protect the locking bolts against the use of explosives or external violence.

Although it would be practically a physical impossibility in the limited time at the disposal of yeggs to burn through such a door with an oxyacetylene torch, the bank has equipped its vault with an electric burglar and hold up alarm. Built into the door are sheets of fusible metal forming a thermostat and a western Iowa. He has a little patch few minutes application of extreme heat will cause the alarm to sound. This system is so constructed that should the vault be left unlocked at night the alarm would be sounded. To prevent the possibility of facile entry through the walls, floors or ceiling a series of lead cables are woven at intervals of a few inches between the reinforcing bars and any attempt to sever one of them would set off the electric alarm.

A steel grille inside the vault divides it into a safe deposit compartment for the use of customers and compartments containing safes for the use of the bank and trust company. The safe deposit boxes are really separate steel safes each containing a tin box and each fitted with a continuous hinge. Each box is equipped with two 14 tumbler locks and is operated by two keys, one for the customer and one for the vault attendant. Access to the boxes can be had only by the use of both keys at the same time, making it impossible for any unauthorized person to enter a box. A record of each entry is kept by the bank for reference. Officials of the bank say that the demand for safe deposit boxes is constantly increasing. A few years ago only persons owning large amounts of bonds and stock rented boxes but the danger of losing valuable papers and keepsakes by fire or misplacement and the nominal cost of a box have prompted many to make use of them. The new equipment will add about 200 boxes and provide about three times the former vault space.

When the vault is ready for use, all the present boxes will be moved under guard and the business of both the bank and Trust Company will be carried on temporarily in the rear of the present building with entrance on Jackson Street. It is expected that two or three months will be required to complete the front part of the building which is to be completely be refurbished. When finished the new quarters will equal any in this section and it is said that only one bank in Indianapolis, now under construction has a vault door larger than that installed here.

The business of the two progressive institutions has grown rapidly in the past two years and the remodeling of their quarters will enable them to offer the public additional convenience and protection.

### LIMESTONE FOR PART OF MORGAN COUNTY

(Martinsville Tribune)

Special arrangements have been made with the Midwest Stone company of Greencastle of which E. B. Taylor is manager whereby discount of 50c per ton will be allowed to all farmers in the north and west part of Morgan County, who order limestone through the County Agents office between now and January 1st. This arrangement was made with the company to allow a chance to put on limestone at a lower rate to try out a patch on the farm.

### BADLY BURNED WHEN COAL OIL THROWN ON LIVE FIRE EXPLODES

Prompt action by DePauw University Students probably saved the life of Mrs. Albert Stevens age 21 years who lives at 507 south Jackson street who was seriously and perhaps fatally burned at near 5:30 o'clock Thursday afternoon, when coal oil, she had thrown on live coals in a cook stove exploded throwing burning fluid on her clothing.

Her clothing afire, Mrs. Stevens, ran screaming into the front yard. Two University boys, who were seated on the front porch of the Mrs. McAlinden home across the street, ran to the woman and with their bare hands tore the burning clothing from her body.

In the meantime neighbors attracted by her cries ran to her assistance. One brought a blanket which was wrapped around Mrs. Stevens, smothering the smoldering fire.

She was taken into her own home and Dr. C. C. Tucker was called. Mrs. Stevens is suffering severe burns over her entire body above her knees. Her injuries are of such a serious nature that they may prove fatal.

Mrs. Stevens is a bride of only a few months. She removed to Greencastle from Huntington only a short time ago. Mr. Stevens is employed at the O. & I. Stone Co. Quarries.

### VAULT DOOR IS TOO HEAVY FOR JACKSON STREET

Unloaded at the Monon station, Thursday afternoon, the 18 ton steel vault door, to be installed in the new vault at the Central National bank, proved too heavy to be hauled up Jackson street.

Although mounted on a special truck-trailer with steel tires inches wide, the great weight of the door caused the wheels to cut deep into the street.

Friday morning, the truckmen, hauled the truck back to the station and across to Madison street.

The solid macadam road way on Madison street proved more sufficiently solid to allow the vault door to be hauled.

The special truck on which the vault door was mounted was hauled by a large and powerful motor truck.

### SMALL GAME IS ABUNDANT THIS YEAR IN INDIANA

INDIANAPOLIS, Ind., Oct. 4.—Small wild game and game birds are more prevalent in Indiana woods and fields this year than in many decades, and hunters may expect a wonderful season's sport, declares George N. Mannfeld, chief of the fish and game division of the state conservation department in a bulletin just issued to 160 organized fish and game protection associations operating in Indiana to further wild and aquatic life.

His statement is made following a survey of the situation and from reports by game wardens, farmers and sportsmen from all sections of the state. Reports thus secured lead to his declaration that quail are more plentiful than at any time in 25 years. Such a condition was brought about Mr. Mannfeld says, by observance of productive seasons, mild winters and the fact that the public generally cooperates with the conservation department.

Mr. Mannfeld reports that wardens in the past month arrested 172 persons for violating fish and game laws. One hundred and sixty-eight were convicted and paid fines and costs aggregating \$3,155.10. One crew of two men working in southern Indiana made 15 convictions of people operating seines and nets.

When the vault is ready for use, all the present boxes will be moved under guard and the business of both the bank and Trust Company will be carried on temporarily in the rear of the present building with entrance on Jackson Street. It is expected that two or three months will be required to complete the front part of the building which is to be completely be refurbished. When finished the new quarters will equal any in this section and it is said that only one bank in Indianapolis, now under construction has a vault door larger than that installed here.

### FORMER LAWYER OF GREENCASTLE IS A HERMIT IN IOWA

COUNCIL BLUFFS, Ia., Oct. 4.—Marsh Willis, former lawyer and newspaper man of Greencastle, Ind., who disappeared from his old haunts years ago is living the life of a hermit in dirt-covered hut in a ravine in western Iowa. He has a little patch of ground he cleared himself, a few stands of bees, a few books, some home made furniture, an old muzzle-loading shotgun with a long barrel and a couple of dogs.

# "When" Winter Comes

YOU want the same satisfactory performance from your car that you have enjoyed all summer.

You want the same instant starting—the same quick get-away—the same smooth acceleration—the same sustained pulling power—and racing speed when you need it.

You will get them if you

## Use Red Crown

### The High-Grade Gasoline

Red Crown gasoline is designed to sustain and justify all the claims of service made by the Standard Oil Company (Indiana). It is a dependable agent, rendering such a satisfactory service year in and year out as to have become essential to the domestic and commercial life of millions of people in the Middle West.

You can depend on your car—summer or winter—if you have Red Crown in the tank—and you can get Red Crown everywhere.

It will contribute more pleasure to your winter motoring than any other single factor.

### Buy Red Crown

At the following Standard Oil Service Station:

Indiana & Walnut Sts.

And at the following Garages:

Moffett, Dobbs & Christie, 10-12 S. Jackson St.

A. J. Cox, 113 N. Indiana St.

## Fall Re-Papering is Best, Because

you'll get better service and more satisfaction now. New wall papers will make your home a bright, cozy place to live in all winter.

### Advance Styles 1924 Wall Papers Just Arrived

They are more artistic than ever—Niagara "Blue Ribbon" Wall Papers, famous for beauty, correctness of style and finest texture—at prices so moderate you will wonder why you've been content with faded, shabby rooms. Drop in to see our unlimited variety of beautiful Niagara patterns. If you cannot come in—phone or write us for book of actual samples and helpful booklet "How to Beautify Your Home with Wall Paper".

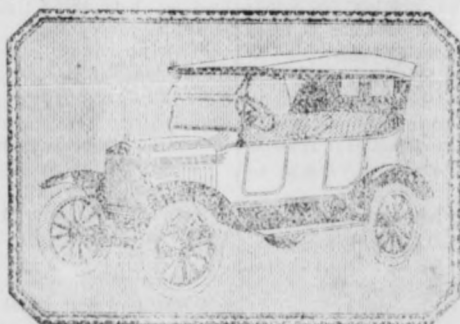

Come in especially to see "The Opalescent"—something wonderfully different in wall paper.

NIAGARA BLUE RIBBON WALL PAPER

916 S. Indiana St. GEO. W. GARRETT

Ford THE UNIVERSAL CAR

### New Touring Car

Looking at the new touring car from the side, you are at once favorably impressed with the effect of longer, more graceful lines secured by enlarging the cowl and raising the radiator.

Sloping windshield and one-two top lend material aid in giving the entire car a lower, more stylish appearance.

An apron connecting the radiator with the fender skirts is also a decided improvement.

A comfort feature much appreciated by owners, is the additional leg room provided by the enlargement of the cowl.

Allow us to show you the entire line of new Ford cars now on display in our show room.

These cars can be obtained through the Ford Weekly Purchase Plan.

### GIVING OUT

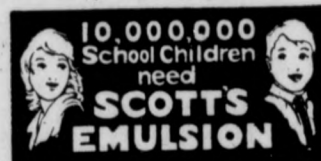

The Struggle Discourages Many a Citizen of Greencastle

Around all day with an aching back.

Can't rest at night; Enough to make any one "give out" Doan's Kidney Pills are helping thousands.

They are for kidney backache; And other kidney ills. Here is Greencastle's proof of their merit:

Wm. Ader, shoemaker, 907 S. Crown St., says: I have used Doan's Kidney Pills when my kidneys were out of order and found them to be a good remedy. My back ached and pained especially when I stooped. My kidneys acted too freely and irregularly. I used Doan's Kidney Pills and they soon removed the backaches and put my kidneys in good order."

Quite a number of friends and neighbors gave Verner Snyder a happy surprise last Friday night. The occasion being his 5th birthday anniversary.

Mr. and Mrs. Hume Whittaker of Tere Haute visited G. O. Whittaker and family last Saturday night and Sunday.

Prof. D. L. Mayle and family and Miss Bolinger of Shelburn, Frank Schafer and family, Mrs. Katie

## Industrial Greencastle

### The Greencastle Canning Co.

In our brief description of other Greencastle Industries we have been lavish in the use of the words "Tons" and "Carloads". In exploiting the local production of cement, crushed stone, sheet zinc these words are necessary. But to the casual reader it would seem that these larger units of measure are not to be applied to food products, and the public may be agreeably surprised to know that the words "Tons" and "Carload" can be applied to the consumption of raw materials and finished products of the Greencastle Canning Co.

In the current year more than Fifteen Hundred tons of high grade farm products will be delivered to the modern factory of the company, located on the Pennsylvania Railroad, there to be canned and conserved as the food of the nation. Green beans, Tomatoes, Pumpkins by the wagonload are being delivered to this busy place and carloads of canned vegetables are going out to feed the world. Last year the company used Eleven hundred and forty tons of tomatoes; this year, although unseasonable, the yield will be nearly as large. The company will increase its production of canned Pumpkin so that the total tonnage for the year will show a material gain over former production.

In its cleanly, modern plant, the company employs forty women and twenty men during the season. It is the purpose of the organization to lengthen their present limited season by canning other food products, as there is a growing demand, because of their excellence for the Greencastle Canning company's goods.

This bank urges the extensive use of the wholesome products of the Greencastle Canning Company and compliments the community on having in its midst this dual beneficiary that takes the products of our farms and converts and conserves them for all-seasons uses. Founded 1863.

The home was tastefully arranged with various fall flowers.

#### DEPAUW GIRL TO BECOME BRIDE

Announcement of the engagement of Miss Elizabeth Yenne, daughter of Dr. C. H. Yenne, of Washington, Indiana and Lincoln J. Carter, Jr., of Goshen has been made. The wedding will take place October 17, at the First Christian Church, in Washington. Miss Yenne attended Depauw three years, completing her junior year, last year. She is a talented musician and is a member of Mu Phi Epsilon, musical sorority. She is also a member of the Delta Zeta Sorority.

#### MRS. RECTOR HOSTESS FOR S. C. C. CLUB

Mrs. Charles Rector, 109 Bloomington Street, was hostess for the members of the S. C. C. Club Tuesday evening.

Following the business session of the club, the members were entertained, pinned on the wall. The hostess had pieces of paper cut to represent various objects and numbered pinned on the wall. The guests had pencil and paper and wrote down the names of what they believed the paper objects represented. The contest was thoroughly enjoyed as it furnished much amusement.

Delightful refreshments of pineapple ice and cake were served.

The guests are:

Mesdames  
Wallace Long Harry Wells  
Fred Thomas Will McBride  
Misses  
Hazel Rambo Edith Swift  
Nina Cook Elizabeth Ensign  
Helen Browning Susie Talbott  
Neil Browning Lella Talbott

#### SECTION 4 REGULAR MEETING

Section 4 of the Woman's Union of the Christian Church, will have its regular meeting with Mrs. William Blackwell, 12 East Hanna Street Thursday afternoon at 2:30 o'clock. The meeting will open with a devotional period followed by a discussion of business. Refreshments will be served.

Levi Marshall performed the ceremony. They will reside on the groom's farm near Bainbridge. Mr. Baird is one of the prominent farmers of Monroe Township.

#### MAGIC LANTERN LECTURE AT CHRISTIAN CHURCH

A new magic lantern will be tested tonight at the Christian Church. Anyone who would enjoy the pictures are invited to attend at 7:30 o'clock.

#### REFUSES OFFER OF MASKED MEN

#### FRANCIS J. McCONNELL, FORMER PRESIDENT OF DEPAUW UNIVERSITY, ADMONISHES MEN WHO INTERRUPT SERVICES

KITTANNING, Pa., October 8.—Bishop Francis J. McConnell, of the Methodist Episcopal Church, former president of Depauw University and member of the Indiana M. E. conference, was interrupted in the course of a sermon at the First church here last night by nine hooded and robed men. The men marched down the main aisle and the leader offered the bishop an envelope. The bishop declined to accept it, saying: "You have a perfect right to your own convictions but you have no right to come into a religious meeting with masks on your faces. And you have no right to interrupt a religious service." The men turned and marched out.

The scene was witnessed by 500 delegates attending the annual Pittsburgh conference of the Methodist Episcopal church.

#### OLD RESIDENT NEAR DEATH

"I had not eaten food for 10 days and was slowly starving to death. Given up by five doctors, I tried a bottle of Mayr's Wonderful Remedy, which gave relief at once. I am 75 years old and would have died but for your wonderful medicine. The jaundice is all gone and I am gaining appetite and strength every day. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded."

For Sale by leading Druggists everywhere.

MAN, middle aged, active, for light pleasant outside work. Permanent position in Greencastle, Ind.—Emmons & Co., Newark, New York.

## Mrs. Coleman Gives Details of Trouble

"I consider Tanlac a household treasure," said Mrs. Julia T. Coleman, 620 Riverside Ave., Fort Wayne, Ind. "I don't know of any better way to help people suffering as I did than to get them to take Tanlac. I was on the verge of a complete nervous breakdown. I was so weak and sick I didn't believe any medicine could help me. My appetite was very poor and even the little I did eat seemed to do me no good. My sleep was broken and I suffered continually from nervousness."

"Tanalac is the only medicine that ever did me any good, and I often go out of my way to tell others about it. It built me up, my appetite is splendid, my sleep is sound and restful and I feel fine. I owe a big debt of gratitude to Tanlac."

Tanalac is for sale by all good druggists. Accept no substitute. Over 37 million bottles sold.

Tanalac Vegetable Pills are Nature's own remedy for constipation. For sale everywhere.

## NEWS FROM OVER PUTNAM COUNTY

### BLAZE CAUSES \$75,000 DAMAGE AT NEWCASTLE

NEWCASTLE, Ind., Oct. 5.—Fire, starting in a trash pile in the building of the Rose City Transfer and Storage Company caused a loss estimated at between \$60,000 and \$75,000 here this afternoon.

The storage plant formerly was used as a lumber yard and the big frame building made a spectacular blaze, the flames spreading to adjoining buildings and residences. Estimated losses were Rose City Transfer and Storage Company, \$15,000; Bowyer Construction Company \$30,000; Newcastle Tobacco Company \$5,000; Everett Lowery, owner of the building used by the tobacco company, \$5,000 and the residence of Mrs. W. A. Brown, \$5,000. Losses to other dwellings and to household furniture stored in the building is expected to bring the total to \$75,000. The building used by the Bowyer company contained valuable planing mill and wood working machinery. When this building caught fire it seemed certain that the Newcastle Casket Company's factory was doomed and a call for help was sent to Muncie, the fire chief and a pumper with five men responding. They aided the local firemen in saving this building. A fireproof roof and a brick wall prevented the flames from spreading from the tobacco company's building to a frame building occupied by the Newcastle Produce Company and probably prevented the burning of the entire block.

Howard Elliott, manager of the Bowyer plant discovered the fire in a trash pile in one of the passage ways of the building. He believes it was caused by a cigarette stub. Elliott tried to extinguish the blaze with a small extinguisher but the fire spread so rapidly that the building was doomed before an alarm could be sounded. An estimate of the amount of insurance carried was not available.

### FRESH HOMEGROWN STRAWBERRIES ON HOME MARKET FRIDAY

Fresh, homegrown strawberries were on the home market Friday. The William Cooper Grocery had several quarts of delicious strawberries grown by E. P. Houck of near Hemrick station. The berries, although small were well ripened and of fine flavor.

### FRED THOMAS ADMITTED TO PUTNAM COUNTY BAR

Fred V. Thomas, of the Fred V. Thomas Corporation, has been admitted to the Putnam County Bar. Mr. Thomas will practice law in the Thomas Building on South Jackson Street.

### AUTO BANDITS PLANNED TO KILL JAILER

BRAZIL, Oct. 6.—An alleged plot by two youthful auto bandits to kill the jailer of the Clay county jail if necessary to make their escape was discovered here when two of their companions are said to have confessed the plot to Sheriff Weber.

The two bandits, Harold Singhaus 17, Canton, O., and Vernon Jones, 16, Cleveland, were transferred from the local jail to the Indiana reformatory before they were able to attempt their escape.

George Granger, 16 and Sam DeMaria, 16, both of Cleveland, arrested with Singhaus and Jones told Weber the plot was to have been carried out last night but the transfer of the prisoners interrupted their plans.

The four boys were arrested here convicted and sentenced on charges of stealing an automobile. All have long prison and reform school sentences to serve.

### PRICE OF MILK COWS AVERAGES \$97 HEAD

The sale of Dairy Cows by Hurst Vaughan, at the Dan Mowett farm, on the National road just west of Mt. Meridian, a few days ago, at which more than 25 cows were sold, was largely attended and the choice cows offered sold at an average of \$97 a head. The high price brought for a single cow was \$140. One buyer from Plainfield purchased 13 head of the cows offered, paying more than \$1,200 for the 13 cows.

Hurst & Vaughan, who have established a reputation in Putnam county and adjoining counties in the sale at auction of milk cows, have advertised another sale to be held in the James Barn at Greencastle, Saturday October 13.

### BIG COMMUNITY SALE TO BE OCTOBER 12

A community sale which from all indications, will be a big success, will be held at the Stock pens at Fillmore, Friday, October 12. At this time all persons in Fillmore and Marion Township and surrounding community, who have something they want to sell are invited to bring it to the Community Sale, where it will be sold by Coles, Hunter and O. J. Rector, auctioneers. Paul Albin will serve as clerk.

There already has been listed for sale 13 head of sheep, 8 cows with calves by side; 2 mules; 1 horse, 2 sows, one with seven pigs; 300 bushels of corn, wagon and many other articles.

Articles may be listed with any of the Fillmore merchants or can be brought in on day of sale without listing.

### HEARSE HAS CHIMES AND MUSIC; COST \$20,000

NEW YORK, Oct. 5.—A \$20,000 hearse, decorated with thirty-five wooden angels and equipped with chimes to play sacred music appeared on the lower East side today. The hearse also has a talking machine and amplifier to carry the music to the grave site.

### POSSES HUNT 4 COAL CITY BANDITS

SPENCER, Ind., Oct. 5.—Four unmasked bandits robbed the Farmers and Merchants bank at Coal City late this afternoon and escaped with about \$5,000 in cash. John G. (Jack) Bryson, of Brazil, and formerly manager of the Putnam electric Company in Greencastle owns the controlling interest in the Coal City Bank.

Ray Burns, cashier and Jack Hanna, a depositor, were the only persons in the bank when two strangers walked in with drawn revolvers and ordered Burns to hand over the cash. Burns complied and after the men had crammed the bills and silver into a small grip, they ran out the door and jumped into an automobile whose engine had been kept running and in which two other men were seated and drove rapidly away. Of the two men who entered the bank, one weighed about 180 pounds and was heavy set and wore a red sweater. The other weighed 160 and was taller and wore blue overalls and blue coat. Of the two men in the machine, one was a large man and wore sideburns.

**Ride in Stolen Car**  
The automobile used by the bandits was a Studebaker touring car with Indiana license number 341-757. It was since learned that the car was stolen at Sullivan last night. Four men were seen in this car southwest of Brazil about noon. The bandits drove north after leaving Coal City, but later circled around and turned south. Police at Brazil have been trying to obtain an airplane to take up the pursuit of the bandits.

Poses led by Sheriff W. C. McCarty and Deputy Oscar Garrard of this city are scouring the country and guarding roads in this section. The bank is said to have been insured against robbery.

**Automobile Found**  
Jack Hanna of Coal City, sporting editor of the Terre Haute Star, was the customer in the bank at the time of the holdup. He refereed a basketball game at Coal City half an hour later and resumed his duties this evening.

The car used by the robbers was found abandoned at Switz City later, and was claimed by Clyde Martin of Sullivan at Jasonville tonight. Four suspicious characters in a coupe stopped at the Jasonville hotel this evening and inquired the road to Terre Haute, leading the police to believe the robbers have transferred their loot to another car.

### PROF. KNUDSON TO DELIVER MENDENHALL LECTURE SERIES

Prof. Albert C. Knudson, of the Boston University School of Theology will give this years series of Mendenhall lectures, according to an announcement given out by President George R. Grose. The Mendenhall lectureship provides for a series of five addresses each year on "The Divine Origin, Inspiration, and Authority of the Holy Scriptures."

As the University could secure no suitable speaker at an open date last year, the Mendenhall lectures were not given. Bishop McDowell, who addressed DePauw students in 1921, was the last speaker brought here by the foundation.

Professor Knudson received his doctor's degree from Boston University and studied at the University of Jena and Berlin during 1897-8. He is the author of "The Religious Teaching of the Old Testament and a constant contributor to the religious press. He is a member of both Delta Upsilon and Phi Beta Kappa.

### RESCUE FIVE MEN BURIED ALIVE 9 DAYS

FALKIRK, Scotland, Oct. 4.—Buried alive for nine days, five of forty nine miners entombed by an explosion in a coal pit near here were rescued today. They were brought to the surface in fairly good condition and their remarkable escape from death has raised the hopes of relatives of the others imprisoned.

### BLOOMINGTON TO ERECT COSTLY MASONIC TEMPLE

BLOOMINGTON, Oct. 5.—The new Masonic temple to cost \$200,000 for which a site has been bought on the northeast corner of College avenue and 7th street will be erected next year, according to M. L. Borden leader on the building committee and active in all Masonic affairs. Already some \$130,000 has been secured in stock pledges.

### JULIUS BRYAN ESCAPES WHEN RAIDING PARTY IS ATTACKED

CLINTON, Ind., Oct. 5.—As a result of a quarrel among liquor law violators, Tom McGuire, age twenty-three, a mine employee, of Clinton was shot and killed Thursday afternoon while leading federal officers to whiskey still in a secluded spot near Lodi, Parke county. McGuire was shot from ambush as he was leading Will Hays, district chief of the prohibition officers and Roy Wright, Walter Willis and Julius Bryan of Greencastle, other federal officers to the place where he had told the officers several stills were concealed.

Leo Dooley, who is said to have been associated with McGuire and others in the operation of stills in the Lodi vicinity was arrested here late last night in connection with the killing. He was placed in the Clinton jail and early today was taken from the jail by federal officers who refused to say where they planned to take him.

Several other shots were fired at the officers who fell to the ground and escaped injury.

J. W. Hatton, coroner of Parke county, who was called to investigate the shooting was severely injured. The automobile in which he was riding with the body of McGuire skidded and left the road on the way to Rockville and McHatten was cut on the head and nose. He was taken to a hospital in Cayuga and after being treated was able to continue the trip to Rockville.

According to the federal officers McGuire is said to have told them that Joe Stith, who was one of the men associated with McGuire and Dooley owed him \$187, which he had been unable to collect. He told the officers that he had warned the men that he intended to lead the federal officers to the place where the liquor was being manufactured and that they had in turn warned him against such action.

McGuire was unmarried and boarded with a family here.

### BOOM NEBRASKA GOVERNOR AS DEMOCRATIC NOMINEE

LINCOLN, Neb., Oct. 5.—Declaring Governor Charles W. Bryan of Nebraska had become a national figure since his occupancy of the executive office, W. E. Quigley of Minneapolis, Minn., in a statement here yesterday said a movement was under way in several states of the central west and Northwest to make him a candidate for the Democratic presidential nomination in 1924. Mr. Quigley is a former resident of Nebraska and was connected with the Nonpartisan League of this state in 1917, 1918 and 1919 and has been active in the Farmer-Labor party in Minnesota.

### ROBARDS A VICTIM OF HAZING IS THE CLAIM

BLOOMINGTON, Ind., October 6.—Everett Robards, age nineteen, a sophomore at Indiana University and a son of E. R. Robards, a former banker of Stilesville died early today at the Bloomington Hospital. Dr. Frank Holland the attending physician, said death was caused by an intestinal hemorrhage resulting from appendicitis.

His close friends assert Robards was injured in the annual scrapping between the sophomores and freshmen at the university which is part of the opening of school each year. The youth was hurt his companions say by running into a board in a dark alley while trying to evade freshmen intent on cutting his hair. This accident happened sixteen days ago and the following Monday Robards was taken to the hospital for an operation.

The boy's mother and sister were at his bedside when death came. The body was taken to the home in Stilesville and the funeral was held at the home Monday afternoon. A number of students from the University attended.

### BRAZIL SCORER EXPLAINS HOW BALL GAME WAS WON

The Herald is in receipt of an explanation of how the Brazil Elks Baseball team won from the Greencastle Specials in a game played in Brazil a week ago, Sunday. The explanation is written by the Brazil man who scored the game. It is as follows:

"I will give you an exact account of how Brazil won the game in the ninth inning:

"Pitcher Wilson had pitched a wonderful game for the Specials up until the ninth inning and Brazil didn't seem to have a look in. Greencastle was leading by a 5 to 2 score. Lybarger, first man up for Brazil, was hit by a pitched ball. James Penman was given a walk to first. Thomas struck out. Wilson was unnerved and plainly up in the air" so to speak. Chesterfield was given free transportation to first, which forced in Lybarger. In this inning Wilson hit two men and walked a couple. He did not give six bases on balls as your paper stated. With the bases full McLaughlin hit sharply past Shortstop Miller. The ball was not recovered as quickly as it might have been and two Brazil runners scored on the hit, tying the score. Chesterfield was thrown out at the plate on John Penman's bunt to Wilson. McLaughlin overran third base and was caught between the bases. Wilson ran up to cover the plate while T. Husky and Clodfeiter were trying to run down McLaughlin. The latter threw to Wilson and he had McLaughlin out by two feet, but just as he tagged him he dropped the ball and the winning run counted.

"There was no bad decision at all at the plate—just simply a bad error on the pitcher's part. "I can truthfully say I never heard a single Greencastle player kick on any of Empire Cox's or LaRue's decisions at any time during the game. It was as much of a surprise to the Brazil rooters to win the game as it was for Greencastle to lose it. One Greencastle young man became too enraged and lost his head on seeing his team defeated so suddenly and unexpectedly struck Cox three times before he was aware of what had happened. He was taken to jail and he would have been given a stiff fine but Mr. Cox refused to file a complaint against him and he was released.

"Mr. Cox is a prominent young business man of this city and has been umpiring the home games for the Elks Club this season and has given general satisfaction to both visiting and home teams. I have personally seen opposing team managers compliment him on his fair and square decisions.

### SPECIALS WIN 9 TO 0 FROM MARTINSVILLE

No more, says Martinsville following baseball game Sunday afternoon when the Greencastle Specials defeated the Martinsville aggregation, 9 to 0, on the Zinc Mill diamond. Martinsville had agreed to a three-game series, but after the Sunday affair, in which they got one hit, and 21 of their men struck out, the other two games were called off. What's the use said their manager. We just can't hit that man Wilson.

Now Manager Webb is looking for another team to defeat next Sunday. By playing errorless ball the Greencastle Specials decisively defeated the Martinsville team, Sunday, 9 to 0 at the Zinc Mill Ball Park.

Only one Martinsville player reached first base, he connecting for a single in the ninth frame, getting the only hit, Wilson allowed. Wilson pitched airtight ball striking out twenty-one men. He was ably assisted on the receiving end by Catcher Clay of Ladoga. Clay accompanied the Indiana University Baseball team on a tour of Japan last year.

Martinsville played a good game in the field but couldn't connect with the ball.

Umpires were Harry LaRue and "Mike" Black.

Score by inning: 3 1 2 0 1 0 2  
Specials ..... 9  
Martinsville ..... 0

### GOODRICH ATTACKED DOLLINGS CONCERN

WINCHESTER, Ind., Oct. 6.—Attacking the methods of the various Dollings concerns in a meeting here today of 250 stockholders, ex-Governor James P. Goodrich said:

"The Dollings Company was conceived in sin and born in iniquity. The statements made by the Dollings Digest, published from time to time, were nearly, if not wholly, false. They have used the United States mail to defraud the people.

"As for the different county agents engaged in selling this stock, I have sympathy with the major part of them and believe they were deceived. These men were not generally acquainted with big business and were un-

able to comprehend the manner in which the business was being carried on in which they were selling stock."

In regard to the subsidiaries, he said, "Not a single one of them earned a dividend after the Dollings company took charge except the Insley Manufacturing Company, and the only reason that company did so was because it demanded representation on the board of directors. The International Note and Mortgage Company was organized wholly for the purpose to create a fund with which to finance the various subsidiaries and pay dividends."

**Scores Jackson**  
Mr. Goodrich scored Ed. Jackson, secretary of state, and Andrew J. Smith, banker for statements they made upholding the Dollings company. He read a number of financial statements of several companies under Dollings control which showed they were in a very bad financial way, some of them being hopeless. He recommended that reorganization was the best for all concerned.

"Remove the blight of Dollings from these concerns and there will be a ray of hope for at least a few of them," he said.

### RUTH HAS BIG WEEK TO TIE WITH CY WILLIAMS

CHICAGO, Oct. 7.—Babe Ruth of the New York Americans and Cy Williams of the Philadelphia Nationals wound up their race for home runs in the major leagues in a tie today when Ruth cracked out his forty-first circuit clout. Williams made his forty-first home run on Thursday. Ruth drove in three fourbase hits during the final week of season to tie Williams. Half a dozen times during the season the two have been tied and seldom more than three home runs between after the season got well under way, Williams having a long lead at the beginning.

The other ball player of the Williams tribe, Kenneth of the St. Louis Browns, stood third in the two leagues with twenty-nine and Fournier of the Brooklyn Nationals was fourth with twenty-two.

### FARMERS NAME P. HUTCHESON AS PRESIDENT

Phillip B. Hutcheson, of Washington township, was named president of the Putnam County Farmers Association at a meeting of the Association members in Greencastle, Saturday.

Officers elected for the ensuing year are:

President—P. B. Hutcheson, Washington Township.

Vice President—L. S. Moler, Clinton Township.

Vice President—Frank Dean, Jackson township.

Vice President—Lloyd Houck, Washington township.

Vice President—Lloyd Dicks, Marion township.

Treasurer—Forest McNary, Marion Township.

Mr. Hutcheson, beside being named as president was selected as the delegate to the state convention. L. S. Moler was named as the alternate delegate.

The meeting Saturday was an all day event. C. R. George in charge of the produce marketing department explained the co-operative plan of marketing and Mrs. Morton Fordice of Russell township, interestingly told of the duties of the farm women in the Farmers organization. Oscar Larn, of Oxford, district chairman, spoke in the afternoon. He told of the progress of the farmer's organization in the district. Wm. H. Settle, state chairman, also spoke in the afternoon. In his talk he outlined the plans of the state organization for the ensuing year.

### INDIANA ONLY BIG TEN TEAM TO BE DEFEATED

CHICAGO, Oct. 7.—Season-openers out of the way, western conference football teams this week will prepare for the first games between conference tenders, four of the Big Ten eleven battling each other next Saturday. Five other conference teams will be in action against non-conference eleven.

First proofs of the actual strength of the conference teams in action were obtained yesterday when all the teams of the Big Four on their home gridirons opposed non-conference eleven. One Big Ten team was defeated and several others won by narrow margins.

Illinois defeated Nebraska 24 to 7, the first victory ever scored by Illinois over the Cornhuskers. Illinois outplayed and outgeneraled the Cornhuskers after the first period largely through the spectacular runs by Grange, new left half back who made three touchdowns.

**Britton's Kicking Features**  
Britton, star of last year's freshman team booted all three goals after touchdowns and kicked a field goal from placement.

In one of the other important

"dope" battles of the day, Chicago defeated the Colorado Aggies 10 to 0 in a game contested by the visitors every inch of the way and which was won largely through a prank of fate. Chicago's touchdown resulted from a blocked punt, after which the ball rolled back over the goal line. A field goal was kicked after Chicago got the ball on a penalty.

Wisconsin showed little strength in winning from Coe 7 to 3. The Badger backs were repulsed almost at will by Coe's forward wall. Minnesota also had a narrow escape, having difficulty in downing Ames 20 to 17.

Michigan, which divided honors with Iowa in the Conference last season exhibited a strong back field and an almost impregnable line in downing Case, 35 to 0. Michigan proved that it will be one of the first in the Big Ten by exhibiting a brilliant attack and open field play in addition to its defense.

**Iowa Improves Greatly**  
Iowa showed almost phenomenal improvement over its ragged form of a week ago defeating Knox 44 to 3. Indiana was the team defeated in the Big Ten, losing to DePauw 3 to 0. Purdue exhibited a dangerous aerial attack in winning from Wilmington 39 to 0. Northwestern, whose teams in former years have been noted for their sudden "streaks" of good fortune and ill luck exhibited some of the tendencies in winning its 21-to-6 victory over Beloit. Ohio State always a dangerous team in the conference, had little trouble in disposing of Ohio Wesleyan at Columbus, 24 to 7. Its form of attack and strength indicated it will be a formidable opponent for any western conference team that faces it.

Next Saturday, Indiana and Northwestern meet at Indianapolis with Northwestern having the edge and Purdue and Iowa meet at Iowa City, the Hawkeyes having the edge on records so far this season. Michigan

meets Vanderbilt at Ann Arbor. Ohio State plays Colgate at Columbus; Wisconsin meets the Michigan Aggies at Madison; Illinois faces Butler at Urbana and Minnesota meets the Haskell Indians at Minneapolis.

### LAKE FOREST NEXT ON THE TIGER CARD

The DePauw football team, with the Indiana game out of the way, go to work this week with a definite program of connection and advancement. Its next opponent will be Lake Forest here next Saturday afternoon, the first game ever to be played on Blackstock athletic field.

Temporary bleachers have been erected on the field that will accommodate 3,000 persons and the field is expected to prove much more suitable for football than McKee field. Last year the Lake Forest team came here and played DePauw to a standstill, losing to the Tigers by a 7-6 score. DePauw hopes to do much better this season and from the previous season work and the showing made against the Indiana Battlers indications point to a favorable score next week.

Greencastle went wild Saturday night when the flash came that DePauw had defeated Indiana by the close margin of 3 to 0 in the annual game at Bloomington. Townpeople as well as students celebrated the victory and the team members were given rousing receptions on their arrival home.

It has been a score of years since a DePauw football team has defeated Indiana and the fact that Coach Ashmore for a starter at DePauw, held Indiana 0 to 0 and the second time came home with the long end of the score, adds much to his prestige here.

Mr. and Mrs. John Cartwright were in Terre Haute Sunday the guests of friends.

## Railroad Dividends

### -and Taxes

LAST year the Pennsylvania Railroad System paid out more in taxes than in dividends. Out of every dollar received 4.38 cents was paid in taxes, while only 4.34 cents was paid in dividends.

In the year 1913 the total dividends paid to railroad stockholders were about two and a half times the total railroad taxes. In the year 1922 the taxes paid were 11 per cent greater than the aggregate dividends.

The cash dividends paid in 1913 totaled \$322,300,406 and the taxes \$127,725,809. Dividends in 1922 totaled \$271,576,000 and taxes \$301,003,227. In the ten-year period, 1913 to 1922, therefore, taxes increased about 135 per cent while dividends decreased about 16 per cent.

The increase in taxes is due in part to an increase of approximately five billion dollars in the property investment of the railroads between 1913 and 1922. But, while the total investment and value of railroad property devoted to public service during this period has increased about 33 per cent, and taxes upon the property 135 per cent, the total compensation to railway stockholders has decreased 16 per cent.

(By Walter Eckersall)  
(In the Chicago Tribune)  
Defeat of Indiana by DePauw, 3 to 0, and the unexpected strong showing of Illinois in its game with Nebraska were two surprises of the football games played in the middle west Saturday while the downfall of Pennsylvania by Maryland, 3 to 0, was the principal upset in the east.

Not alone did Illinois get off to a good start in its quest for western conference gridiron honors but the same was true of Ohio State and Michigan which engaged in opening struggles. Purdue also showed well as did Northwestern, while the scant wins of Minnesota and Wisconsin over Ames and Coe, respectively were slightly disappointing.

Indiana's defeat by DePauw might indicate that the Hoosiers have not yet mastered the coaching ideas of Coach Bill Ingram, the former Navy player. A new system is being taught at the Hoosier institution and to all appearances, the players have not grasped the possibilities of Ingram's teachings and as a result were not prepared to meet an opponent of DePauw's type.

**DePauw Team Strong**  
While the defeat of Indiana was a surprise, it reflects great credit on DePauw, coached by Jimmie Ashmore, a former Illinois player who coached basketball and baseball at Iowa and was scout for the football team. The team had undoubtedly been pointed for this struggle and had reached a high point of development. Considering the way it performed last Saturday DePauw should be a contender for honors among the smaller colleges of the Hoosier state.

MRS. AMANDA JOHNSON  
DIES MONDAY MORNING

Mrs. Amanda Johnson, age 73 years, South Madison Street, died at 3:30 o'clock Monday morning.

Mrs. Johnson had suffered from chronic asthma for a number of years.

She is survived by one sister, Mrs. A. E. Wood, Indianapolis, and one daughter, Mrs. Paul Albin, of Greencastle. Four grandchildren also survive.

The funeral was held Tuesday afternoon at 2 o'clock at the Christ, the Church. Burial was in Stilesville. Rev. Levi Marshall conducted the services.

ARMY PLANE IS  
WRECKED IN LANDING

Lieut. E. E. Hill, U. S. A., pilot of a huge army plane, flying from St. Louis to Dayton, Ohio, and his companion, a mechanic, escaped injury when the plane was wrecked in a forced landing, just south east of Greencastle, Sunday afternoon at near one o'clock.

The propeller and the landing gear of the plane were badly damaged. Lieut. Hill stated that he was forced to land when his supply of gasoline became exhausted. He circled around over the Zinc Mill and then flew south to a field adjoining the Wetz orchard.

He attempted to land in this field. The field is very rough and cut up with ditches. It was when the machine hit one of these ditches that it was wrecked. Neither of the occupants were injured.

Lieut. Hill immediately wired the Rantoul, Ill., aviation headquarters for instructions. Whether he will repair the plane here or dismantle it and ship it to Rantoul he does not know.

The pilot had made several trips between St. Louis and Dayton, during the last week, carrying airplane mechanics to St. Louis, where an airplane race meeting was held last week.

## OWNERSHIP STATEMENT

Greencastle, Indiana,  
April 1, 1923.

Statement of the Ownership, Management, Circulation, etc. of the Greencastle Herald and the weekly Herald-Democrat published weekly by the act of August 24.

My Commission expires Jan. 6, 1924.

Mr. and Mrs. Rex Rafferty of Greencastle, were here over Sunday the guests of Mrs. Rafferty's parents, Mr. and Mrs. Charley Broadstreet.

## ABSOLUTE SECURITY

The One Thing Above All Others That Every Depositor Wants and Every Real Banker Seeks to Provide

It is the solemn duty of every financial institution to use every means possible to protect the funds, securities and valuables entrusted to its care. To offer that feeling of absolute security is positively due the patron to justify his confidence. The Bank must actually protect, or it betrays.

The First National Bank has carried and continues to carry the best insurance protection it is possible to secure covering loss by burglary and daylight hold-up, whether the attack be against our own property or against the property and valuables of others entrusted to our care. We have felt equal concern for the safety of both, and have spent money freely to afford them both protection.

But the management felt that we had not done our full duty until every possible precaution was taken—until our patrons had the very best protection it was possible to obtain.

That, obviously, included some form of burglar alarm system

such as is maintained by practically all the banks in the large cities, and is being rapidly adopted as well by progressive country banks, especially since the great increase in attempted burglaries during the past few years.

A careful study of the situation, and investigation of the methods employed by the banks in the cities and larger towns, has led us to install one of the most modern and efficient Electric Burglar Alarm Systems and the only Thermo-Electric Protection in existence. It is a fitting climax of positive security in our modern Vault. This System is manufactured by the O. B. McClintock Company of Minneapolis, which fully guarantees that the system cannot be defeated by the most expert burglar.

Thousands of these systems are in use in the United States and in no case has a burglar ever succeeded in his attempts to rob a bank so equipped. In fact, attacks upon banks with the system installed continue to grow less, though the number of systems rapidly increases.

Safety and Service—The Two Strong Pillars on Which Our Business Rests

INSURANCE COMPANIES  
INDORSE THE SYSTEM

One of the very best indorsements of our Burglar Alarm System is that given by the Old Line Burglar Insurance Companies. So firm is their belief in the protection thus afforded that they reduce by 50 per cent the premiums on the burglary insurance which we carry on the contents of our vault, including the Safe Deposit Boxes of our customers.

These insurance people know better than any one else, doubtless, the value of the additional protection thus afforded.

WE SOLICIT YOUR BUSINESS ON THE BROAD  
BASIS OF SAFETY AND SERVICE.

## \$500 REWARD

In Cash will be paid by the O. B. McClintock Company of Minneapolis, Minnesota, for the capture and conviction of any person or persons attempting to burglarize this bank.

## We Are Offering You This Week

the biggest bargain ever offered you to close our year as a banner gas stove season. Just consider—a beautiful electric table lamp given FREE with every TAPPAN gas range sold this week. The lamp ordinarily retails at \$14.95 and anyone desiring one of them without purchasing a range will be required to pay this price. See these lamps in our window and better yet come in and look them over carefully.

Our easy payment plan will also interest you. A \$5.00 down payment is all that's necessary and the balance arranged to suit your convenience

Don't forget the dates—Oct. 8 to 13—and the attractive table lamp.

Yours for better cooking.
